CMP Inc. Statement of Capabilities

WHO WE ARE IN THE WORLD OF ULTRA PRECISION MACHINING

From its humble beginnings in a garage shop in 1951, to its present location in a 12,000 sq. foot facility in Carson, CA., Cardic Machine Products continues to provide precision manufacturing that will meet any customer's needs.

We set ourselves apart from the rest by providing the best ultra- precision, quality, and delivery, while still having

the great value and priority customer service that all our customers have come to trust and rely on. From cutting-edge spacecraft to custom everyday parts, we provide the highest quality standards in the industry with results that make all of our customers the winners.

fully integrated MRP System which manages day-to-day operations. **Call anytime** and we have the necessary data available to provide you precise updates on progress and delivery.

A FEW THINGS WE ARE COMMITTED TO

- **High Quality, Customer Service, and Competitive Pricing.**
 - Improving our **98% On-Time Delivery Rate.**
 - We will make **1-1000+ parts.**
 - Holding **tolerances to .00005”**
 - We will do Quick Turnarounds and **communicate updates asap.**
 - We will do **Turnkey Mechanical Assemblies, Bonding, and Fabrication.**
 - Reading and translating **most CAD formats.**
 - We will work with **prototypes** and parts with **active rev. updates while in manufacturing.**
-

A GLANCE INTO OUR SERVICES

- Space-to-ground based high precision optical machined components.
- Optical DT Fixtures and Aspheric Aluminum Mirrors.
- Spacecraft in-flight and Aircraft Landing gear components.
- High-Precision Actuator Housings for Aircraft and Military applications.
- RADAR Array Antennas.
- REF and Microwave Components.
- Satellite, Vision and Guidance System, and cold shield components.
- Ordnance and Missile Components
- Fixtures, Tooling, and Inspection Gauges.
- We machine **almost any metal, cast, forging, or hog out precisely!**

SATISFIED CUSTOMERS

- AEROSPACE CORP.
- AEROFLEX COBHAM
- **AEROJET**
- **ROCKETDYNE**
- ALLIANCE SPACE
- **BALL AEROSPACE**
- BOEING
- CAL-TECH
- **LEIDOS**
- **NASA JPL/APL**
(VIIRS, Perseverance)
- NEO-TECH
- NORTHROP GRUMMAN
- **RAYTHEON SPACE AND AIRBORNE**
- SIERRA LOBO INC.
- **AND MANY MORE...**
